

BUSINESS REQUIREMENTS DOCUMENT (BRD)

Project Title

California Mall Sales & Customer Analytics Dashboard

Project Objective

To develop an interactive Tableau dashboard that provides insights into:

- 1 Sales performance across shopping malls
- 2 Customer purchasing behavior
- 3 Demographic trends (Age, Gender)
- 4 Payment method usage
- 5 Mall infrastructure impact (Area vs Sales)

Goal: Enable data-driven business decisions for improving revenue and customer targeting.

Business Problem

The business lacks:

- 1 Centralized view of sales performance by mall
- 2 Visibility into customer segmentation
- 3 Insights into payment behavior
- 4 Understanding of sales trends over time
- 5 Analysis of mall size impact on sales

Impact:

- 1 Poor decision-making
- 2 Inefficient marketing strategies
- 3 Missed revenue opportunities

Business Objectives

- 1 Identify top-performing malls
- 2 Track monthly and yearly sales trends
- 3 Analyze customer demographics
- 4 Evaluate payment method performance
- 5 Identify high-value customers
- 6 Understand relationship between mall size and sales

Stakeholders

- 1 Business Management
- 2 Sales Team

- 3 Marketing Team
- 4 Finance Team

Scope

In Scope:

- 1 Sales analysis
- 2 Customer analysis
- 3 Mall performance analysis
- 4 Interactive dashboards

Out of Scope:

- 1 Real-time data
- 2 Predictive analytics
- 3 External integrations

Key KPIs

- 1 Total Sales
- 2 Total Orders
- 3 Total Quantity Sold
- 4 Total Customers
- 5 Avg Customer Spend
- 6 Avg Order Value
- 7 Avg Sales per Mall

Dashboard Overview

Sales Overview Dashboard

- 1 Monthly Sales Trend
- 2 Sales by Mall
- 3 Sales by Gender
- 4 Yearly Sales

Customer Analysis Dashboard

- 1 Age Analysis
- 2 Payment Method Analysis
- 3 Top 10 Customers
- 4 Gender Contribution

Product / Mall Performance Dashboard

- 1 Mall Performance
- 2 Sales vs Quantity

- 3 Sales Heatmap
- 4 Area vs Sales

Filters

- 1 Year
- 2 Shopping Mall
- 3 Gender
- 4 Month Name

Success Criteria

- 1 Clear KPI visibility
- 2 Interactive filtering
- 3 Easy-to-understand insights
- 4 Identification of key trends
